INVITATION

On behalf of the organizing committee and the directors of the Wound and Diabetic Limb Salvage (WDLs) Congress, we welcome you all to the beautiful Antalya, Türkiye.

This will be our fifth meeting and the first in Türkiye. We are hoping to bring to you the latest in wound and diabetic foot management including the latest technology and updates in wound care. This meeting brings together international, regional and local experts to provide a comprehensive approach to wound care. We invite you to be part of the meeting and present your expert opinion, research and experience in wound management.

We extend a warm welcome to our esteemed guests, attendees, invited speakers and industry to an interactive event and enjoyable stay in Antalya, Türkiye.

WDLs Executive Committee

Mamoun Al-Basheer, MD

Munier Nazzal, MD

Karen Bauer, DNP

GENERAL INFORMATION FOR VISITORS

Language: The official language of Türkiye is Turkish. English communication is common at meeting venue and the touristic city of Antalya.

Currency: The official currency of Türkiye is the Turkish Liras with TL as abbreviation. Banks and currency exchange offices are located all over the city, and ATMs are found in various places throughout the city.

Time zone: Time in Türkiye is given by UTC+03:00 year-round. This time is also called Turkish Time (TRT). All of Türkiye is on Eastern European time, 3 hours ahead of London and Coordinated Universal Time (GMT/UTC), 7 hours ahead of New York.

Climate: Climate varies between 22°C and 26°C in October and it is mostly sunny.

Electricity: In Türkiye, the electricity supply is 220 volts (like in other European countries). Socket type is standard Type F (European) with two prongs. Four- and five-star hotels often provide North American-style 120 volts,

60 Hz flush-mounted sockets (points) for North American flat-prong plugs.
Emergency Numbers:

Medical Treatment: You will need to pay for any medical treatment which you receive in Türkiye. For this reason, it is advisable to take out medical insurance before traveling.

Hospitals: In Türkiye, you can find world-class hospitals and medical facilities. Many doctors in Türkiye speak English. In an emergency, foreigners who do not have insurance can go to any hospital, where they will not be charged.

5TH WOUND AND DIABETIC LIMB SALVAGE CONFERENCE

Innovations, Challenges, and Best Practices"

www.w-dls.com

The following is a list of emergency phone numbers that are available 24/7 in case of an emergency.

- 112 – Fire, Medical Emergency / Ambulance, Police
- 156 - Gendarmerie
- 158 - Coast Guard
- 159 - Highway Department
- 176 - Ministry of Culture and Tourism Communication Centre
- 177 - Forest Fire
- 183 - Missing Child / Women's Helpline.

Pharmacies: Pharmacies are open Monday to Saturday from 09:00 to 19:30. Most are closed on Sundays, but there is always one pharmacy in an area that is open for 24 hours.

Opening Hours: Offices and banks are generally open from 9:00 to 17:00 Mondays to Fridays, and close for lunch from 12:00 to 13:30.

Passports: Turks have compulsory ID cards, which they must carry with them at all times. Foreigners are also expected to carry such ID with them, which means that you should keep your passport with you at all times. Many travelers choose to carry a photocopy and leave the actual document in their hotel safe.

Smoking: Officially forbidden in all hotels and enclosed restaurant and bar spaces. Telephone: Country code of Türkiye is 0090. Most International phones work in Türkiye. Please check with your GSM provider. Prepaid SIM cards must be registered when purchased.

Tipping: Service charge will be added to bills at some of restaurants, but at most of the restaurants, bars, and clubs 5-10 % tip will be appreciated.
